

SPECIALIST CRICKET SOFTWARE

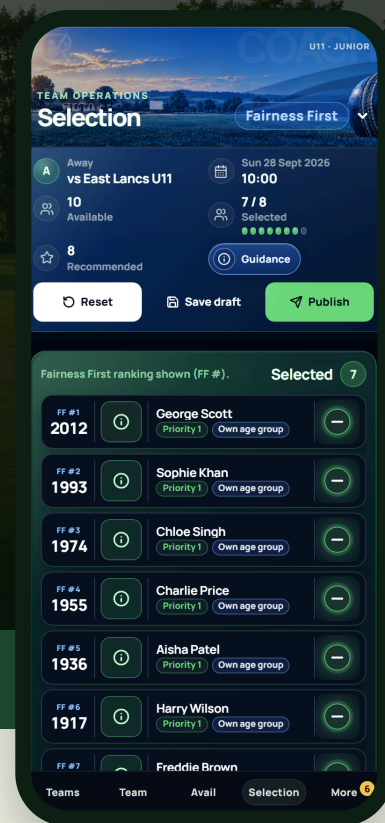

Selection management built **only** for cricket.

Availability, selection and team sheets for seniors, juniors or both.

Not a generic multi-sport app. **Made for cricket clubs, nothing else.**

How it works for your club

- ✓ **Easy availability.** It's really easy for parents and players to log on and submit their availability.
- ✓ **Pick from who's available.** Captains and coaches pick their teams from who's available.
- ✓ **Team sheets sent.** Everyone gets the team sheet by email and in the app.
- ✓ **Training and team messages too.** Players reply for training, and coaches can message the team.

FAIRNESS FIRST · OUR SIGNATURE FEATURE

No more kids left on the sidelines.

Our fairness algorithm makes sure every child gets their fair share of games. It's about fair game time, not ability. **The coach always has the final say, and it's easy to switch off.**
